

# Toshiba Satellite A215 S4697 Battery Replacement

This guide will show you how to take your old battery out of your laptop and put one in a new one.

Written By: Grace Cowell

## INTRODUCTION

Ordered a new battery? Have no idea where to start? Well don't worry, this guide will show you how. (Part number should be PA3534U-1BRS) Don't forget to dispose the old battery in an e-waste container.

## Step 1 — Battery

- Close the laptop and turn it over so that the base is facing upwards and the spine is facing away from you.
- Find the battery compartment.
- Slide the left slider which is just beneath the battery compartment into its leftmost position.

## Step 2

- Slide and hold the right slider into its rightmost position. Lift the battery out of the compartment.
- Do not touch the gold nodes inside the compartment.

To reassemble your device, follow these instructions in reverse order.
